B 3 BUILDING PLANS & SPECIFICATIONS:								
*DISCLAIMER: The following applications are exempt from the payment of scrutiny fees								
1	Applications in respect of any building to be erected by or on behalf of the State. In this context "State" means an "organ of State" as defined in Section 239 of the Constitution. This is interpreted as those institutions which are an intrinsic part of government and those institutions outside the public service which are controlled by the State - ie where the majority of the members of the controlling body are appointed by the State or where the functions of that body and their exercise is prescribed by the State to such extent that it is effectively in control.							
2.	Building Plans for all buildings and structures, including Housing projects managed by the Local Authority, erected for and by the Local Authority. (Plans must be submitted and approved prior to construction.)							
3.	Applications in respect of alterations and/or additions to any building older than 60 years and of special heritage significance subject to the following provisos: The exemption will be applicable for internal alterations and external, including renovations and repairs, where at least two thirds of the heritage fabric is retained as determined by the Municipality's Heritage Resource officials. The exemption will not apply to applications where only the shell of the original building is retained. The exemption will be applicable for additions to existing buildings on condition that the architectural floor area of the additions is less than 25% of the architectural floor area of the original building. The exemption will not apply to applications for new separate buildings on the same site.							
4.	Applications from organisations providing residential facilities to the elderly and homeless children who qualify for rates relief in terms of: (a) the criteria mentioned in Item 6.7 of the Rates Policy and; (b) accreditation obtained from the Homeless Agency Committee (HOMAC) as stipulated in the Children's Act No. 38 of 2005. It will be required from the owner of the property on which the building plans is to be submitted to provide sufficient proof that he/she has been relieved from the payment of rates by the City's Revenue Department in terms of (a) or has obtained accreditation from HOMAC.							
5.	All Applications required to address/give effect to success run resettlement claims in terms of the Reallocation of Land Rights Act, as well as to address other land issues that relate to a successful claimant, such claimant is allowed to submit only one application (building plan), for residential development only which application(s) will be exempted from building plan fees as per normal fees.							
6	The Planning & Building Development Management may authorise exemption from building plan application tariffs in cases where a building plan decision was set aside in a court of law and is required in terms of a court to be resubmitted to the City for decision, subject there to that it is the same plan as originally submitted.							
No plan shall be deemed lodged unless the appropriate fee has been paid and the application form properly completed.

Designated electrical installations shall mean electrical wiring installations within dwelling units, community halls, or such like public facilities, subsidized by National, Provincial, or Local Government								
X1.1	INSTALLATION OF ELECTRICITY SERVICES:							
X1.1.1	(a)	The charges payable to the KwaDukuza Municipality ("KDM") for the "installation" of services shall be as per the tariffs listed hereunder.						
	(b)	Any and all headings used in this section are for convenience only. Although the heading of this section contains the word "Installation", this section does not only deal with installation but contains the KDM's charges for both the provision and installation of electrical services.						
	(c)	All the charges referred to in this section, whether estimated or final, shall be paid to KDM prior to any connection or installation.						
	(d)	All the charges listed hereunder must be paid unless exempted in terms of a written agreement concluded with the municipality.						
	(e)	In the case of a proposed sectional title development, or a proposed shareblock scheme, or a proposed commercial development, only the registered owner at the time (and not any future owner(s) or "developer") may apply for and be granted electrical services.

X1.8	ELECTRICITY AVAILABILITY CHARGE								
			In respect of any approved subdivision, with or without improvements, which is not connected to the Council's electricity scheme and which can reasonably be so connected, the owner shall pay to the Council an electricity availability charge as stipulated hereunder, in accordance with the Electricity By-Laws Item 13(1) provided that						
	a)		No charge shall be made against any subdivision which exceeds 2 ha;						
	b)		No charge shall be made against any property complying with the requirements of Section 17 (1) (i) of the Municipal Property Rates Act, No 6 of 2004						
	c)		No charge shall be made against one subdivision which is used for bona fide gardening purposes in conjunction with an adjoining subdivision on which there is erected a dwelling house which is connected to the Council's electricity scheme, if such subdivision is owned by the same person or the spouse of the person who owns such dwelling house;						
	d)		In any area where no town planning scheme in terms of the Ordinance 27 of 1949 is in existence, the charge shall be levied as if such property is zoned for special residential use.						
	e)		Depending on the zoning of such subdivision in terms of any town planning scheme in force from time to time, the monthly charges per subdivision shall be as follows:						
	(i)		Irrespective of the zoning of the property there shall be payable a monthly charge of	R 110.00	R 126.50		R105.45	R121.27	
			If zoned for other purposes	R 110.00	R 126.50		R105.45	R121.27	
X1.9	GENERAL PROVISIONS								
	a)		Notified maximum demand:						
	(i)		Every existing consumer with an installed load in excess of 60 A shall, when called upon to do so, notify the Council in writing of the maximum which he requires the Council to supply.						
	(ii)		Every new consumer requiring a supply of electricity in excess of 60A single phase or 20A three-phase shall give three months prior written notice of his requirements; provided that the period of notice may be reduced at the discretion of the Engineer.						
	(iii)		Every existing consumer who wishes to increase his installed load shall give the Council three months prior written notice of his requirements, provided that the period of notice may be reduced at the discretion of the Engineer.						
	(iv)		With effect from the date on which the Council is in a position to meet the notified requirements or the date stipulated in the notice given under paragraph (bb) or (cc), whichever is the later, the amperage charge or the maximum demand charge applicable to such consumer shall be adjusted accordingly.

	(v)	In the event of the actual consumption of any consumer exceeding his notified maximum demand, the Engineer may call upon such consumer to negotiate an increased notified maximum demand in terms of this Bylaw. Should such consumer fail to notify the Board of his increased requirements within thirty (30) days of being called upon to do so, the Engineer, after inspection of the consumer's installation may notify the Town Treasurer of such increased notified maximum demand as should, in his opinion apply to such consumer for accounting purposes and the charges therefore shall be adjusted accordingly.							
	b)	Bulk Supply Installation							
	(i)	Where the joint requirements of any two or more consumers necessitate, in the opinion of the Engineer, the specific installation of one or more transformers together with associated switch gear, such consumers shall jointly be responsible for the cost of such installation, in proportion to their individual requirements.							
	(ii)	In designing such a bulk supply installation, as provided for under item (i) above, it shall be competent for the Council to install a transformer with a larger capacity than that called for by the applicant, provided that							
	(iii)	The amount payable by the Applicant shall be pro-rated accordingly; and Council shall have the right to use any such excess capacity for such other needs as it deems fit.							
	(iv)	In respect of all bulk installations the applicant shall be required to provide a chamber, to the Council's requirements, in which any such transformers, switch gear and equipment shall be accommodated.							
	(v)	Where application is made for an increased supply and sufficient spare capacity exists on the transformer of greater capacity, the consumer shall in addition to the charges as provided for in these by-laws, be charged the pro-rata cost of the additional transformer capacity based upon the cost of a new transformer of the same capacity as that required.
